### TAX ON ADVERTISING RECEIPTS FAVORED

Senate Finance Committee Passed Resolution in Favor of That Method.

Washington, D. C., June 4.—After several hours' discussion of how newspaper matter and other publications carrying advertising should be taxed for war purposes, the Senate finance committee today framed a resolution in favor of levying a direct tax of 2 per cent on advertising receipts. The provision was tentative, but was expected to be final.

### THINK QUOTA EXCEEDED.

Vermont Small Towns Did Especially Well for Red Cross.

Burlington, June 4.—It was stated last night at the headquarters of the Vermont branch of the American Red Cross society that it was too early to do more than estimate the results of the week's statewide campaign to obtain 30,000 new members, as the returns are coming in very slowly. There is no doubt, however, but that the 30,000 mark will be exceeded. The speaking campaign is to continue this week with meetings at Fairfield, Sheldon, North Troy and Franklin and possibly other places.

The returns for this city show that about 1,500 new names were added to the membership of the local branch. Other partial returns are: Rutland, 3,500; Montpelier, 1,000, making a total membership of 1,400; Brandon, 300; Randolph, 340; Island Pond, 415; Barton, 200 to 300. The returns received thus far show that most of the small towns exceeded their quota.

The executive committee of the Vermont chapter will meet in this city June 12. A session will be held in the afternoon in the roof garden of the Hotel Vermont in the interests of the \$100,000,000 fund which the Red Cross of the country is endeavoring to raise.

### DIDN'T REACH QUOTA.

But Barre Secured Several Hundred Red Cross Members.

Locally the state Red Cross campaign, in which it was hoped that 30,000 members might be enrolled, closed Saturday night with enough members recruited during the week to bring up the total for Barre to 600. Although the formal closing took place at that time there remains an opportunity to enroll in the Red Cross at the rally in Howland hall this evening. Campaigners in this city did not realize the quota expected of Barre, but to those who have not enrolled an earnest appeal was made today. Tent stations along North and South Main streets were responsible for many of the 300 enlistments secured and for the reason that no intensive campaign was carried out the showing is not as good as had been hoped for.

It is a creditable feature of the campaign that all of the enrollments were secured without solicitation. Those who are now members enrolled voluntarily and under the circumstances the local committee feels that the response was fairly satisfactory. In other towns a house to house canvass was conducted with excellent results.

### TALK OF THE TOWN

See Abbott's new sport stripes for skirts. Jackson's native asparagus, fresh every day. Vermont Fruit Store.

R. C. Thorne of Chelsea was among the visitors in Barre over Sunday.

G. H. Adams of South Barre has purchased four choice registered cows of the Jersey strain, the breeding of Goldenrod-Cornell, owned by D. E. Sargent of North Randolph.

J. H. Cook of South Main street, who passed the week end in Wolcott, returned to-day accompanied by Mrs. Cook, who has been spending several days with her son, George H. Cook.

A special Star production, "The Butterfly Girl," featuring the popular star, Margarita Fischer, in five reels at the Bijou to-day. Watch for our special feature to-morrow—adv.

C. F. Smith was in Montpelier Saturday afternoon and held an auction sale that made people think Montpelier real estate did not have to go begging. The property at 25 School street consisted of a nice large building lot with an old house on it and was sold to F. M. Corry for \$5,300. The sale started at \$2,000 and by lively bidding soon reached the above-named figure. This property was known as the Sweet estate and was being sold by W. S. Smith, administrator of the estate. The administrator and heirs were very much pleased with the outcome of the sale.

To-night the city council meets for its fortnightly session and it will not be surprising if the resignation of an alderman is received for action. Alderman A. E. Bruce of the sixth ward, having purchased the Holden farm in Barre Town, has indicated his purpose to resign at an early date and has so far advanced his plans as to move a part of his household furniture from Brooklyn street to his new purchase. Undoubtedly the resignation will be accepted in deference to the alderman's wishes, but it is probable that the appointment of his successor may be deferred for a week. Ward six politicians have begun to speculate on the choice to be made by the mayor.

Nearly 100 people gathered at Caledonia park Saturday afternoon for the annual picnic of the Barre Burns club. The picnicers included old and new members of the club, their wives and other guests. Special accommodations were provided for the party in leaving the city over the M. & W. R. railroad at 12:30 o'clock and an extra car was reserved for them on the return trip in the evening. A program of sports included a baseball game and running and jumping events for the children. The committee in charge of the affair had for its officers, the club president, Hugh Christie, the vice-president, James Booth, the secretary, James Hogg, and the treasurer, James McKernan.

The Red Cross society has on hand a large amount of sewing to be done for the Vermont regiment and for Hospital box, No. 6. All who can are urged to come to the gymnasium in the Cauding school Tuesday and Friday afternoon to sew. State headquarters at Burlington has sent an urgent appeal to all the local branches to enter heartily into this work and in many instances the response has been very general. Cable advice received at headquarters from France says: "Hospital garments can be used in practically unlimited quantities." It is the purpose of the American Red Cross to contribute as much as possible to relieve the great needs abroad. This is your opportunity to help!

The case of State vs. Mrs. Henrietta Guazzoni of River street, charged with selling liquor illegally, was taken up for hearing before Magistrate H. W. Scott in city court this afternoon at 1:30 o'clock. J. Ward Carver appeared for the respondent and the prosecution was in charge of Grand Juror William Wishart. Around a dozen witnesses were subpoenaed to testify, and the following jurymen served: John T. Brown, John Brown, A. L. Noyes, W. J. Blackmore, Walter P. Scott, O. E. Anderson, William Moors, George H. Emery, Charles A. Lundgren, H. H. Maxwell, J. P. Corskie and Thomas Nichols. In a hearing Saturday liquor seized on Mrs. Guazzoni's River street premises was condemned and ordered destroyed, but an appeal was taken on the verdict.

### MRS. ALBERT BERTRAND.

Besides her husband she leaves her daughter, Irene Bertrand, aged five, her mother, Mrs. Napoleon Coumarnache, of New Bedford, Mass., and two sisters, Mrs. Eldia Chosa and Miss Loretta Coumarnache, both of whom live in New Bedford.

Mrs. Bertrand was born Ella Coumarnache in Farnham, P. Q., 25 years ago. Her marriage to Mr. Bertrand took place in Farnham Aug. 9, 1909. For some time the family has resided at 46 Foster street. Funeral services will be held in St. Monica's church Wednesday morning at 9 o'clock, the parish priest, Rev. Fr. P. M. McKenna, officiating. Interment will be made in Hope cemetery.

### AUTOS COLLIDED.

Occupants Uninjured, But Three Described as "Comatose."

Brattleboro, June 4.—An automobile owned by Frank A. Larrow of Brattleboro and driven by Harold Evans, carrying five persons, ran into a Greenfield, Mass., car operated by Clarence Corbin, carrying seven persons, on the Barnardston road, seven miles south of Brattleboro, a little before midnight Saturday.

Both cars were damaged but the occupants were not badly hurt. State Atty. William R. Daley, Chief of Police George Wilson and Deputy Sheriff Chauncey I. Knapp, all of this city, made an investigation. The Greenfield car was still in the road and the Brattleboro car as far to the right as it was able to drive.

Three of the Greenfield party were comatose. They said they were on their way to a dance near Brattleboro. The officers took their names but made no arrests.

### MONTPELIER

Farm Buildings at Brown's Mills Destroyed by Fire.

Sparks from the house chimney caused the barn on the farm of Joseph Dalary at Brown's Mills to catch fire early Sunday morning and because of the absence of fire fighting facilities, the house, barn and carriage shed were destroyed by the flames. The house was occupied by two families, that of Mr. Dalary and by Ernest Hill. They succeeded in saving all the live stock and some of the house furnishings. The property was valued at about \$2500 and is practically covered by insurance carried through the J. G. Brown agency of Montpelier.

Phoebe Wright Hayward, widow of the late Hiram Hayward, died yesterday at the home of her daughter, Mrs. George Selina, at Northfield Center after an illness of 24 hours. The funeral will be held from the Berlin Corner Congregational church at 2 o'clock Tuesday afternoon, with burial in the Berlin Corner cemetery. The bridesmaid was dressed in a suit of champagne taffeta, with hat to match. After the ceremony, a wedding breakfast was served at the bride's home. Mrs. Nelson is a graduate of St. Michael's school, this city, and for some time has been employed as bookkeeper in the Whitcomb laundry. The groom formerly lived in Barre and is employed as express messenger.

### PARDONED IF HE ENLISTS.

Vito Turciana Must Go to Italy to Join the Army There.

Rutland, June 4.—On condition that he return to Italy and join the army of his native country, which is at war on the side of the allies against the German-Austrian forces, Gov. Horace F. Graham of Craftsbury has pardoned Vito Turciana convicted in Rutland county court in October, 1908, of the murder of Accarito Santoro in the vicinity of the "76" bridge. The killing, and the subsequent trials of those involved, startled the entire state because of the gruesome details of the shooting.

Turciana was brought from the state prison to this city yesterday by Deputy Sheriff Pascal Ricci. He will be taken to New York City this afternoon and will sail for his native land to-morrow. Turciana will first be taken to the office of the Italian consul in New York and if he passes the physical examination will be sent to Italy at the expense of the Italian government, but if he does not meet the requirements he will be forced to pay his own fare across the water.
